**How do we worship God?**

[John 4:21-24](#), [Hebrews 11:6](#), [Isaiah 29:13](#), [Ezekiel 33:31](#), [Matthew 15:7-9](#)

**How is true worship different from false worship** ([Acts 17:23](#))

**Worship** from the heart and the way God has designed. Worship can include praying, reading God's Word with an open heart, singing, participating in communion, and serving others. It is not limited to one act but is done properly when the heart and attitude of the person are in the right place. ([Revelation 19:10](#))

**True worship** is not confined to what we do in church or open praise (although these things are both good, and we are told in the Bible to do them). True worship is the acknowledgment of God and all His power and glory in everything we do.
